**GEOLOGIC QUADRANGLE MAPS AND M.R.S.**

This series uses the standard 7.5-minute topographic map, scale 1:24,000 (1 inch = 2,000 feet), as a base. Topography and culture are printed in gray, water features in blue, geology in black, and mineral resources in red. Marginal stratigraphic legend; some maps include geologic cross sections. Mineral Resources Summary booklet accompanies all maps. Maps and booklet in 9 x 12 envelope. Quadrangles now available listed below and also shown on index map (see below). (Also see U.S. Geological Survey Quadrangle Maps). Each set, unless otherwise indicated .....\$5.00
